Which being read in the House Ordered it be answered as follows

By the House of Delegates 14th December 1708
This House are very sorry the Honble Council should hearken to the cunning, subtle
Insinuations of any designing Persons and not look into the Statutes empowering
Courts to admit Attorneys &c as particularly the 15th & 2^d Cap. 1. and 1st Hen. 4th
Stat. 10. And many others which will more truly inform the Courts have the only
Power of admitting Attorneys, and this House can't but take Notice how easily
private Bills pass; but when any offers for the Good of the Country in General
some Persons know a stumbling Block in their way and therefore pray the
Honble Councils concurrence to this Bill Signed & Order Rich^d Dallam (S. Ho. Deb)

Mr Robins and Mr Covington They return and say they delivered the Bill
