 to Dorchester County, 18 Musquets, 8 Carabines, 2 Drums, 8 Cartouch Boxes, 8 Cutlasses, 2 Barrels Powder, one Barrel of small Shot, 2 Barrels of Bullets, one Pager of Hints and Worms, ten Halbots, one Trumpet And likewise that they find in the Hands of Captam Charles Gilbourn delivered by his Attorney's Order for the use of the Company belonging to the City of Annapolis 40 Musquets, one Drum, 40 Cartouch Boxes, one Barrel of Powder, one Barrel Small Shot, 3 Halbots, 6 Bayonets. All which said Arms appear to be lodged and delivered by Accounts thereof And they also report That the Arms in Possession of Capt Charles Gilbourn are very rusty and much out of Order and that he refuses to clean them, altho' by his Receipt, under Hand and Seal, he is obliged so to do as by the said Receipt it may appear And further they find that several other Parcels of Arms and Ammunition has been imported into this Province ^{as} by an Article in an Account of Mr. George Plater deceased, late Receiver of Patuxent District. It appears to the Value of £547-3-6 paid to Mr. Micajah Lorry Merchant in London by Order of the Council for which said Parcels of Arms we find no Receipts nor how the said Arms have been disposed of we can give no direct Account but suppose them to be Part of the Arms and Ammunition now found by the said Committee in the Hands of Capt John Young. And as to the 3^d of the for Arms we have not the Accounts from her Majesty's Receiver General cannot report how the same has been disposed of but humbly move an Order may issue from this House to cause Mr. John Rousby her Majesty's present Receiver to appear at the next Session of Assembly to bring in all such Books and Papers relating to the 3^d of the as belonged to Mr. George Plater deceased late Receiver and to render an Account how the same has been disposed of since he has been Receiver that thereof may appear how the said Money has been appropriated And further do report that there come to our Hands an Account of Mr. John Rousby's commencing from the third Day of April 1707 to the third Day of April 1709 being for the 3^d of the for Arms. That in that Time there has been exported out of this Province 20,482 Hds of Tobacco at 3^d of the is £356-0-6 And that by the said Account we find that he has deducted out of the said Money, his Salary at the Rate of one hundred Pounds of Annuum which amounts to £100. which said Article we humbly conceive unjustly stated and ought to be deducted out of the Times and other her Majesty's Dues and not wholly out of the 3^d of the
 of Order Edward Bonfor (C. Com.)
