By the House of Delegates 11<sup>th</sup> Nov 1712

We have considered and debated the Message and Bill sent from your Honble Board Yesterday by Job Whittington and John Hall Esq. relating to the Indians but not being satisfied of the Reasons inducing your Honours to recommend that Bill as it is drawn and taking the same to be of no great Consequence and being willing to show due Respect to what comes from your Honble Board have thought it reasonable to agree to the Bill first Paragraph thereof with these Amendments viz<sup>t</sup> For Recovery of the Penalty in any County Court of this Province and that it may be to the Use of the County But as to last Paragraph thereof relating to false Rumours we think it may be wholly rejected for that it will be of ill Consequence and we are willing a Clause ~~may~~ should be added to prohibit any Inhabitants from trusting any Indian for any Liquors or taking any Pawn from them for any Debt and buying their Guns Matchcoats ~~and~~ on Pain of returning them and losing their Debts upon which Amendments we are willing to agree to the Bill. We concur with you it is necessary the Indians be acquainted with the Penalties our Laws inflict on the Breaches of them in such Manner as you prescribe.
