Colo Greenberry and Col. Addison onto the House and deliver Mr. Speaker Swards Bills absolutely rejected by the Council and the following Message

By the Council in Assembly Nov. 12th 1712 Upon reading your Message by Mr. Hill and five other Members with the Bill for vesting Swards Heirs in a certain Part of Land in Dorchester County called Sectar we must assert our Opinion that your Indorsement thereon is not Parliamentary, but mistaken, and what is hinted by you of reading a Bill not past the last Parliament or a new Bill on installing the Speaker is no Rule for sending up a Bill to the Upper House with sundry Indorsements made by the last Parliament, but it must begin *anew*. Vid. Coke's Jurisdiction of Courts, Tit. Parliament. fol. 27 and 28. And now as to the Substance of the Bill we have fully debated it at this Board and will not take upon us to pass any Act to dispose of the Lord Proprietary's Lands or direct the Grants thereof; and therefore refer Swards Heirs to take their course at Law to oblige the Lord Proprietary to do them Justice in Case it has been denied them. Signed & Order M. Bladen H. Council
