

Thursday 5<sup>th</sup> November 1713 This being the Day of Thanksgiving for the Delivery from Popish Plot and the Arrival of the late King William in England Mr Speaker attended by the whole House repaired to Church and after divine Service and Sermon ended the House met according to Appointment called over and present as Yesterday. Read what was done Yesterday.

The Message ordered to be prepared yesterday in Answer to the Councils Message relating to Itinerant Justices, Read and approved and ordered to be entered as follows By the House of Delegates 5<sup>th</sup> November 1713 We have considered and debated your Message yesterday, by the Honble Jos. Small, Jos. Greenberry and John Hall Esq; relating to paying the late Itinerant Judges the Substance whereof we find several Times recommended to former Assemblies and as oft denied any Allowance that Constitution being made without the Consent of this House who always saw the ill Conveniency thereof and tho' you are pleased to say the Charge of the Provincial Court was considerably lessened thereby yet we are certain the Charges brought in and demanded from the Public were much augmented what Trouble and Expences those Gentlemen were at on Occasion of riding the Circuits or what Damages they may suffer in their Estates thereby this House were never the Occasion of; and as they never, on Behalf of the Public requested or acquired in any Thing relating to those Commissions for the Apizes but always shewed their Aversion thereto, so they think it very <sup>un</sup>reasonable the Country should be burthened with the Charge but that those that set them to work ought to pay them for their Charges, Trouble & Expences. Signed & Order R. Dallam C. Ho. Sent up to the Council with the Message prepared yesterday about the Treasurers by Cde Koshimo, Major Spigg, Mr. Scott, and Mr. Charles Wright They return and say they delivered the Messages
