which being read and debated Ordered the following Answer be sent By the House of Delegates 9<sup>th</sup> Nov<sup>r</sup> 1713 We know of no Session of Assembly ever allowed a Clerk Assistant to the Clerk of the Council And Business has not met with much Dispatch this Session we hope that Omission does not detain the Journal of Committee of Accounts but desire that it may be returned that we may go upon laying the Levy. The Demand for such an Allowance we take to be a new Expostion upon the Country and if there be any small Mistakes in the Journal they may be rectified by that Committee that apportions the Levy.
