May it please your Excellency & Honours,

We have read with great Satisfaction the
Bill proposed by your Excellency and Honours for ascertaining the Bounds of Land
within this Province the first and second Time, and as we find the same to be an
excellent, well, and ingeniously devised Bill, and tending to the Good and Welfare of
this Province, the reducing the same into Practice being particularly owing to your
Excellency's Speech to the House of Delegates in October Assembly last, we we hold
ourselves bound to render your Excellency and Honours our most hearty Thanks for
devising so useful a Law; as Nothing that is now can be perfect at its first
Invention; We humbly propose the following Amendments which we hope your
Excellency and Honours, on Consideration will find useful for putting the Said Law in
Practice with which the said Bill will pass Viz: Page 3. 18 Line, or Part or Parcel
