Mr. Speaker. I am to acquaint the House of Delegates that I have a Letter from my Lord Baltimore notifying the Death of his Noble Father the late Lord Baltimore, who as he has ever carried himself with great Candour and Affection to this Province I must conclude with you for the Loss of so good a Friend. But as his Lordship is succeeded by a worthy Son who promises as much as you can reasonably expect, from his presentness, I congratulate with you on this Occasion, and avow from a Personal Knowledge which I have of his Lordships good Disposition that you may be a very happy People (if you please) under such a Landlord. His Lordship does me the Honour to ^{be} trust me with the Management of his private Affairs in this Province: I therefore desire to know what Resolution you will come to in Relation to his Aunts since his Lordship does not think fit to stand to the Agreement made by the late Lord Baltimore upon the precarious Footing the Hogheads now ⁱⁿ hand
