And It was then Ordered that the Scheme proposed by Mr Charles Carroll be also entered (viz.t)

July 22d 1716

May It please your Excny.

I offer to your Consideration in case a Law should be Sett on Foot to grant the Lord Propry 6 p hhd in consideration of acquitting his Tobo rents and alienations the Following State of an account.

To what is Lordship can Farme his rent for 300 o. c.

To wt the Farmer must pay the Sevll officers 67000 lb of Tobo. at 1 p Ct which his Lordship must pay in Case the law goes for ward — — — 279:3:4 — 579-3-4

To putt his Lordship on as good Foot as he may be by the Farme proposed there must be yearly exported 23167 hhd of Tobo. wt at 6 hd make — — 579:3:4

If more Tob. be exported his Lordship will be agamer if less a loser

I am your Excneys Humble Sert Charles Carroll.

If the Country think Fitt to pay the above Quantity of Tobo. at the Several places of abode of the persons to receive the Same think it the Same thing for his Lordship and doubt not but his Lordship will be well Satisfied with the yearly Sume of three hundred pounds for himself Charles Carroll.

And thereupon a motion was made that the Question be putt whether an additional duty of 6 p hhd of Tobo. to be exported out of this Province shall be granted to the Rt Honble the Lord Propry in Full Satisfaction of all his said rents in Tobo. and Fines for alienations or that the Country shall Farme the Rents reserved in Tobo. at 2 p Ct at the rate of the yearly rent of 300 ll Ster and 67000 lb of Tobo. as proposed to Mr Darnall 1584
