

Part of the Upper
and Lower House of

Open by — The Right Honorable the Lord Bishops

and his Lordships and the Guardian the Right Honorable
the Lord Guilford having given you in that respect Shad now the
Hon: to look to you on his Lordships Petition which foremanth prop: of
their own Liberty by their Ed: Sh: King's Commission and Appraising
their great Deal also Loyalty this Wholly King's Petition and the
Protestant Succession in the Wh: Petition of Shad now and
ready Explanation of such Laws as were provided for the Security of
Protestant Succession in their Petition together with that is sent and
Proposition of the Lord Bishop his bring at the Protestant of the
of England Shad will Observe the Wh: Petition of Shad
have represented his Lordships being advised in Wh: Petition
that the Petition and Grant Declaration of the Parity of his
Lordships with will Engage and Secure his Lordships the hearts
and Lites of all the Good people of Wh: Petition —

My Lord Bishops Prop: and Guilford having Express
their Lites regard for the welfare of the Services in such
Petition and affectionate Devotion to the same. Received a Representation
of some part of them will be far from being unacceptable to you
since they contain in a few short Lines all that is reasonable
and people as you are all hope or desire from your Superior — the
words are these — Gent we have at heart the welfare and
Prosperity of the people of this Petition equal to that of our own
and are determined not to do any thing to separate that Union which
may tend so much to the Union Good —

gentlemen — I shall say before you what I have known
their writings to Disappoint to that End for saying an additional
Duty of four pence shall and which I know what I hope will give you
satisfaction —
Sentiments of the Lower House —

There is nothing which has required you that the Bill
specifying the Gauges of the Bill — concerning their Provision for the
Bill, though the Honorable as the support of his Government says under
the Consideration — That matters you might have to be passed that
Bill is made the right of the Subject of Government —
