

The Minutes being put whether the same be brought in for
the regulation of Ordinaries and accertaining the Licensees

Resolved in the Affirmative of Priority
of votes — Ordered the Committee of Laws prepared

the Accordingly —

Ed: Howard from the House of Commons Believes -

1729 Speaks the following Mr. Inge Viz: —

By the House of Commons June 3: 1717 —

His Excellency Ordered to the Speaker and all his Honour-
bail of the Court to receive their Lodging Instructions to him
have herewith sent to Godly: & — articles sent the Expenses
many Laws that were made before the Town Interposits in 1717

Government of Maryland appears to be the best or at least the best
by some subsequent Laws which were made Diversify their
Majestys will and yet essential to the peace and quietness
the People of the Province under the protection and Government
of propriety and estate to his Honors and Agents, and ends which

Thou may find among those made in 1687 and now seems
to be more Particulate than in Actu Cyon are to be desired
to pass for form in Friends of such a Place for the paper
our seats Seats — These are we desire you to be
two of your Members to be joined to one of the Board
to suspect into those Laws to note which of them it is
necessary to amend — signed by Sir J: —

John Howard Esq: Secy: to the

Wm. Pennell Esq: Secy: to the Board

are appointed to join to some of the Members of the House
Resolved to suspect these same — signed by the following

Mr. Baces) Mr. J
