

May it Please your Honor House of Assembly 1708. 17 is
your Obedy.

We are glad to find by your Excellency's letter
that our Endeavors which have hitherto been for the Great
Good and welfare of his Majesty's Province and his Subjects are
favored with their Goodships Approbation — and we shall
faithfully Endeavour to pursue the same and in considering
such further Commands from his Majesty as your Obedy
shall be pleased to Communicate to us by way of Message.

We humbly take leave to acquaint your Obedy
from your Obedy's Obedy and Obedy's Obedy
and the happy Conclusion of the last Session we had great
hopes that not only your Obedy in particular but all his Majesty's
Good Subjects throughout his Majesty's Province might have enjoyed such
Peace and Tranquility as you are pleased to mention and we
heartily Obedy that nothing should happen to interrupt it, we
are sure that none who are like good Subjects to our Sovereign
or kindly well wishers to his Majesty and his Province could be
intuminate in the diverting your Excellency from the
pursuit of the Obedy's Obedy or in the making your
Obedy uneasy in the Obedy's Obedy of your Administration

But that projects and their Obedy should
Attack your Excellency's Obedy and Obedy's Obedy
