Read and ordered to be by the lower House of Assembly and signed by order of the Speaker (R. B. M.)

And will to the upper House by Major Harris (R. B. M.) and Mr Whipple - They return and say they Devised

the Engross supplementary Bill to the act Directing the manner of selecting and appointing Delegates is read and ordered to be by the upper House

Mr Speaker from the Committee of Devises Mr Speaker a Bill to amend the act relating to the Province of Jersey which was read and ordered a second reading tomorrow

Deliver Speech his Excellency speaks to the Burgesses with regards to him thereon with the following proposals -

Government of the Province in this Province in order to the promoting and propagating of true religion and Practices has provided the honorable body of the Burgesses and that this Commett together as that is

Clears Mind by the Speech made to the Reverend Burgesses and their Advice to me upon the same Commenced both in this General Assembly and do not doubt but your Excellency will excite you to what is proper for you in your Station for the Advancements of the Province and Intention of the meeting of the Reverend Burgesses at this Session

Some of the Reverend Burgesses have expressed that they are opposed a separation to be had between both Houses which will be soon proposed to your Excellency but the Upper House is opposed to your Excellency
