

Reporting with a Copy of his ~~Speech~~ to the Reverend
George & their Ladys to whom ~~the~~ ~~same~~ our Orders were
by our Duty to God most ~~highly~~ his Excellency
for his great and pious Care of his Religion and at the same
time to assure you how tenderly we shall join with you in
sight of such representation to Donatists & Judges
Mergory and contributing to good service -

Signed For order -

The further Consideration whereof is deferred till to
Morrow Morning -

Proposed by a number of this House that
for as much as these are several Elections run to be
made in manner whereof is above in Letters by the
Committee to them for directing the manner of electing an
Summoning Delegates &c. which has Duty past with. whereas
Mr. Savage proposed Devising his Secretary to send for
his shaves up to the Councils Chamber to see if they past
into a Law that the same may be published. -

Edw. Addison Edw. Fitzhugh Mr. P. & Savers -
From the upper House Legation Mr. Speaker that his
Secretary ^{him} Ginzards & the others shew to attend him at
the Councils Chamber -

Whereupon Mr. Speaker with the words shew went
to the Councils Chamber - Who soon after returned -
Where the speaker Removes the Chair and reports of his going
was pleased to deliver himself in these words following viz. -

First of 17. 1700. viz. & you have in the Journals of this Parliament
and Journals of the House of Commons that you have in the Journals of this Parliament
well so fully exposed your shewments and necessity for
proposing is that of shewment in your shewment -

And that shewment in your shewment of your
my success in the shewment yet that shewment Concerned
may bring shewment to shewment that shewment
into the shewment in shewment, the shewment
and that shewment who shewment it is in shewment
