

WELL of this Province. That your Lordships  
upper and lower Houses in jointly shewed they have  
to make our humble Acknowledgements of your Ex<sup>ty</sup>'s  
goodness in Approving of our Endeavours in Cultivating  
a good and perfect Understanding between the Lord  
Proprietor and the good People of this Province w<sup>ch</sup>  
we will take to be our duty to improve to his Majesty  
the greatest Advantage your Lordships ready ready  
Concurrence with such Acts and Proceedings as tend to  
the Advancing the Prosperity of this Province still more  
auger us to hope for whatever else the well friends of our  
Lord Proprietors Family and Interest can in reason and  
but that which gives the truest soul of our happiness  
under your Lordships Dominion is the Justice we frequent  
ly receive of your resolutions to adhere to & encourage  
the Protestant Interest and Religion here notwithstanding  
standing the various Endeavours of a certain Faction of  
us Entending to Disturb their Quiet by setting up  
Popery and the carnal Disputation Competition with  
them which they do not only Endeavour but pretend a right  
to — We beg leave therefore in most humble manner  
to represent to your Lordships that your Good  
Offices and Endeavours to Discontinue Differences  
between your Gentl<sup>ty</sup> Governour and some few  
here do sufficiently testify your Ex<sup>ty</sup>'s just &  
gaze of the peace and tranquillity of the Province  
in which we are so intirely interested that we  
should Gladly have observed this Occasion of  
Intercepting by some other more weighty and  
important Affairs by so long and adverse and we  
not lie under a necessity of saying something  
in Justification of our Proceedings in this present  
Session of Assembly we blush to Regard you Ex<sup>ty</sup>'s  
of your Goodness and endeavour that say we are  
not worth the regard you are due to so noble and —  
Great and in your taking and we will intreat you —
