

MR. VICE of Indulgence ~~with~~ and no other -
This a Permissible Tendering in Regard to their
Conceded & Manner of Resolving as a Parity to
all Manner of Proceedings in Govern^{ing}:ag: & their
and made Signific of the Rule to Govern Instruction
A not Conceded therein with your & Profound -
your them in Charge into your Secret & Governor
here - Now seeing that the Roman Catholic
are the Open and Profound Friends of the party
which kind of Government is that the Roman
not with standing your & Profound and the -
Sincere Endeavour to bring him to a knowledge of
himself and to such that - Submission and might for
the time to Condescend your & Profound Authority
and the Dignity and Jurisdiction of you? Could hereag:
the Contempt and Insults of Audacious from that of you
in them with these Freed him self to make any such
Submission accord by you? For required of him and
Believing him to be supported as well as Encouraged
by the Zouche Party the two Stances of Assembly
being Determined to fall upon the Concepts of such
Measures as might most Spectrally procure
the peace of his Province and Discourage the practice
of the Empire to our Royal Establishment resolved to
repeal the Act of Assembly to prevent the Growth of
Popery whereby the Papers & are now left in
same Ordinal they were in before the striking
the said Act of which mainly Compts were
here to fore made by them with no more much
Disatisfied to see the repeal of it because they
find themselves obliged to require their Conduct ac-
cording to such Articles of Great Brittain as relate
to the King's Dominion and impose much Gentleness
upon Disobedience that we are way ways willing to take use of pro-
vided those Gent of your Council persuasion will Demerit
