Delivered it The following message being prepared viz -

By the Lower house of Assembly -
May it please your Hon^{rs} April the 21 - 1720 -
It has been the Opinion of this House hitherto from Generall Causes of
this Sessions would not have continued so long Considering there was but
Little publick Business then before us so that from thence we reasonably
might (in favour of the parties petitioning) conclude to refer of further
Consideration of that Affair till next Sessions rather than surprize them
by so speedy Determination w^{ch} we take to be the reason & cannot conceive
that any Construction could be made of our pretending to if right of
Determining the Duration of the Sessions w^{ch} was never intend by us for we
allow his Majesty has the only prerogative under this Act to determine of same!
