of the Money in the Treasurers hands into so many parts as it should be is impracticable & on
Continuing the Session till next week, because there will be a necessity in such a bill of
Appointing persons to receive & apply the Money and as to any Danger, the Treasurers of
the Eastern Shore may apprehend of being troubled there are some Gentlemen will take some
of the Money and give undoubted Security to pay it when Demanded it will be an disadvantage
to the Treasurer in that particular, But if he is unwilling to part with the Money and
uneasy to keep it, this house thinks there is no Difficulty in finding a person that will
undertake that Charge & give the necessary Security Signed of Order M^r Schiffer the Lower house
