The Rt Hon^{ble} the Lord Prop^{ty} and his Guardains directions and Instructions shall be sent into this Province on which Emergent occasion we desire the advice and Concurrence of your house what just measures may be now properly used for the service of the Rt Hon^{ble} the Lord Prop^{ty} and the security of the peace and well fare of this Province.

Signed for the Wth Bladen Clk of the House

In answer to which the following Answer was proposed and ordered to be entered (Viz)

By the Wth House of Assembly Aug^o 2^o 1716.

May it please your Hon^{ty}

On reading your Message of this day by the Hon^{ble} Coll^o & Hollands and three others of the Wth house we agree that the not sending into this Province instructions who should administer the Government in case of his Ex^{ty} death or absence has been a great omission & may prove of very evil consequences unless provided for prevention whereof we agree to make a provision for the same by a Law and cannot think of a better method then what has been asked when the Government was in the Crown but that is entirely submitted to his Ex^{ty} and your Hon^{ty}.

Signed for the Tho: Maenemara Clk: Lo: Ho:

Went to the Wth house by Mr. Rowley, Capt. Gristy, Capt. Godde Mr. Turbutt, Capt. Bowles, Mr. Hanson Mr. Young and Mr. Tylev.

They return and say they delivered it.

The House adjourns till one a Clock in the afternoon.

Then the Members being called over were present as in the Morning - The Remonstrance of Mr. James Canoll setting forth that he was heretofore Surveyor of Annapundel County and still is and had Commission Special warrants to him directed to execute which remain as yet in part unexecuted through the badness of weather that happened the last winter and Spring and therefore prays leave to execute the said warrants without being subject to the Laws that are now going to be pass, was read and

Rejected & mine Contradictente.

On Consideration of the vote of this House on yesterday whereby it is resolved that Col. Edward Lloyd ought to be found to the publick 52^l. 13^s. 6^d and 29580^l Tol^o allowed him during his presidency for the Salary and Stannant Charges of a Councellor,

It is Ordered that the same be referred to the Committee of Laws who are on sight of all the papers thereunto relating to Compose a suitable Message on the whole to the Wth house.

The Endorsement on the Bill for repairing the Records of the Secretary Com^{ty} and Land offices from the upper house of yesterday being
