your Lordships Lieutenant Governor and with an humble cheerfulness
to congratulate your Lordships on this happy occasion of
declaring ourselves indespitably engaged to the Interest of our Lord
and Country who has so eminently distinguished himself by the
meritorious Character of a Loyal Subject to our Sovereign Lord
King George and a true Protestant Governour to us under a
resolution to live and die a faithful Member of the Church
of England, by this what ever Endeavour has been used by
some to aggrandize themselves by persuading others to believe their
Romish Principles would infallibly make them great in your
Lordships Esteem are become entirely and we cannot
but think them far from being real Friends to your Lordships
who at the same time they pretended so to be maliciously imputed
in Sincerity to your Lordships and gave out that as a proper
Foundation to raise their own Grandeur keep others in awe.

We again beg leave to Congratulate your Exps on this happy
occasion whereby all Jealousies are effectually removed and we
become a victim to your pious Resolutions -

Your Lordships having at heart the wellfare and prosperity
of the people of this Province & equal to that of your own as a
Favour we cannot more gratefully acknowledge than by having
your Exps Honour and Interest and the prosperity of your people
equally at heart by which our Endeavours may be reasonably
hoped to in the Common Good.
