Bill for Limitation of Officers Fees with the following Message
viz^t - By the Upper house of Assembly June the 4th 1719 -

Sent. On Reading and considering your Message by M^o.
Robert Tyler and M^o. Charles Wright relating to the bill for the
Regulation of Officers Fees we cannot but think you too profuse in
Resolving to deprive the County of the benefit of the former Law made
for that purpose (which we cannot but think has been very usefull in
Restraining the severall Officers from Charging and Extorting Excessive
Fees and Making them liable to a prosecution and penalty for so doing)
rather than admit of a Regulation of that Bill now proposed by you
