Coll^o Ward from the upper House delivered Mr. Speaker the fol^o Mess- sage vizt

By the upper House of Assembly July 26. 1721.

Gentlemen, leaving all disputes about the ancient customs and priviledges of your House which yet we cannot agree you have any title to in the manner set forth in your Message of this day by Mr. Lee and Mr. Benson that mutual agreement and good correspondency that always ought to subsist between the two Houses gave us a great deal of reason to believe that we should have not been denyed the perusal of his Lordships Originall speech for if we had required it as being a branch of the Legislature to whom it was in the first place address'd we should not in our Opinion have exceeded that measure of right which is justly due to the preeminency both in the order and dignity of our House but we were not for prolonging the sessions nor spending our Country's money in trifeling debates and therefore contented ourselves in requesting barely the perusal of the Originall speech with design only to correct the errors that we imagine are to be found in y^r Copy attested and sent us by the Clerk of your House, But that we may
