( Friday, at Two of the Clock in the Afternoon. )

Mr. Samuel Hanson, from the Committee of Laws, delivers to Mr. Speaker, a Bill, Intituled, *An Act for the laying out of Land, and erecting a Town at the Head of Port-Tobacco Creek in Charles County.*

The following Message being prepared, was order'd to be enter'd thus :

By the Lower House of Assembly, July 18, 1729.

May it please your Honours,

The very low State of the Tobacco-Trade, makes it the Duty of every Man in Maryland, to consider of the most probable Means he can think of, to raise the Price of it, since we have very little else to depend on to supply us with common Necessaries, besides the Produce of that Commodity. This Consideration has put us as well upon examining the late Tobacco-Law, correcting some Things in it that we conceive to be amiss; and making some other Provision to render it more effectual; as also upon considering the Advantages which would probably result from concerting Measures with our Neighbours of Virginia, ( who depend upon the Produce of Tobacco as well as we do ) to raise the Price of our Staple. And this House being unanimously of Opinion, That a Friendly Correspondance with Virginia, to the Ends already mentioned, would be very advantageous to both Countries; We desire your Honours will appoint some of your Members to confer with some Members of this House, concerning the best Method of carrying on such a Correspondence.

Sign'd per Order, M. Macnemara, Cl. Lo. Ho.

Sent to the Upper House, by Major Hanson, and Mr. Hamilton; who return, and say they delivered the same.

The following Message, viz:

By the Lower House of Assembly, July, 18, 1729.

May it please your Honours,

This House having taken into Consideration, the Inconveniences the People are liable to, from a Want of the Officers Fees being reduc'd to a Certainty; and that the Fees mention'd in a Bill propos'd to be pass'd last Session, are adequate Rewards for the Services to be done for them. We therefore desire your Honours Concurrence with us, in passing a Bill into a Law of the same Nature with that agreed to by both Houses last Session; the Fees being subject to the same Deduction that other Tobacco-Debts and Dues are subject to, by the Act for the Improvement of the Staple of Tobacco.

Sign'd per Order, M. Macnemara, Cl. Lo. Ho.

Was sent to the Upper House, by Mr. Crabb, and Mr. Tolley; who return, and say they delivered the same.
