Your Committee have examined the several Commissions granted to the Provincial Court, by which they now act, is not agreeable to the Oath of Judge or Justice: For, in that Commission, the Words are, *To keep, or cause to be kept all and singular, the reasonable good Laaws, Statutes, and Ordinances of that Part of the Kingdom of Great-Britain call'd England, &c.* And in the Oath it is thus mention'd, *According to the Directions of the Acts of Assembly of this Province so far forth as they provide; And where they are silent, According to the Laaws, Statutes, and reasonable Customs of England, agreeable to the Usage, and Constitution of this Province, &c.*

And your Committee further find, that the Commission now granted the Commissary General of Maryland, differs very much from the Commission granted to the late Commissary-General. And therefore your Committee refer the Inspection of the said Commissions to the House for their Consideration therein.
