

For his Services Done in the paper Currency Office which under your Committee's find was paid to him, but the Day before the Apportionment of the publick Charge was made and upon Inspection into the Lists made at the Conclusion of last Session, Apportioning the payment of the Publick Charge your Committee find a further Sum of fifty pounds allowed M^r William Rogers therein, which they apprehend to be a Double Allowance for one and the same Service occasioned as your Committee apprehend by the Gentlemen who Apportioned the Publick Charge, not knowing the said William Rogers had then obtained an order from the Clerks of both Houses for said fifty pounds, and as your Committee are informed both Sums have been received by the said William Rogers, when in fact, but one of them was his Due, they recommend the same to the Consideration of the House.
