

In the House of Assembly 2 April 1736

Gentlemen

This House upon Examination into the same Report by your Committee to have been obtained from the Clerks of both Houses by William Hayes for the Payment of fifty pounds find that such order was only signed by the Clerk of your House who was the person of possession Money in appropriated is stated in the Legislative Body for want of which necessary Authority that payment seems to have been made by mistake which we doubt not will be decided for the future. And as Mr Hayes does not deny the facts set forth in the Report of your Committee by his answer to your House but submits himself to both Houses we hope he will take what care he can to give any further Satisfaction that may be required from him

Signed & ordered
