

Make to your friendship in equivalent... about... in consequence
of the opinion we have expressed... and... as...
we... to be... and... will be agreeable to his
friendship... and... which... we beg your
excellency will please to transmit to his... and that you will be so good
as to sign your interest and good offices with this House to complete the
agreement which we hope will appear to be no way prejudicial to his
friendship's interest and which we believe would be a very great ease to his
Tombards -

We are encouraged to make this Application to your Excellency
from the Experience we have had of your constant readiness to do every thing
in your power that might contribute to the Welfare of the People of
Maryland -
