This House is of Opinion that it will be of Service to the Country to pay the
Publick Charge of this Province which will be due at the end of this Session out of the Bill of Credit
remaining in the Office because it will not only prevent any Delay in payment to the prejudice
of such persons as are in Immediate want but also because it will tend to a better Circulation
of the said Bill of Credit and thereby render them the more useful to all the Inhabitants of
this Province who are by the Law thereof obliged to provide sufficient Fund to sink the said Bill
of Credit and therefore desires your Honours Concurrence to have such payment made out of
the Bill of Credit now in the Office accordingly Signed Order M Macnemara (L^d House)
