

imperfect, that we cannot make a proper Return: Therefore we recommend, that the several Clerks be ordered to return to the Commissioners, immediately, a new and distinct List or Account of each Year, since the Issuing the Money aforesaid; also that they return for the future a distinct List of each Year, beginning at *March* Court, and ending *November* Court, in the several Counties: And that the several Sherffs be likewise obliged forthwith, to Account and pay the Commissioners aforesaid, the several and respective Sums due from them, as well on Account of the Money due for Ordinary-Licenses, as for the several public Assessments.

We observē, the several Sheriffs have returned into the Office, many insolvent Ordinary-Keepers, which we apprehend might, and ought to have been recovered in such Case of their Securities.

Your Committee have Reason to apprehend, that there are several Sums of Money in most, or all of the Counties, except *Queen Anne's*, remaining of the Money delivered out of the Office, for the Payment of the Thirty Shillings *per* Taxable, at the first emitting the Money; and recommend that the Clerks of the several Counties be ordered to send a true Account of the Moneys then paid to the Taxables of the said Counties (*Queen Anne's* County excepted), to the Commissioners of the Paper-Currency Office, and to transmit the Receipts for the same as is directed by the Paper-Currency Act, in three Months after Notice is given them by the Commissioners aforesaid, and that the said Commissioners be required immediately to forward the said Notice, and that the said Clerks give Notice to the respective County-Courts, that they cause to be returned without Delay to the Commissioners aforesaid, such Surplus Money as may be remaining on the said Account.

All which is submitted to the Consideration of both Houses, this 29th Day of *May*, 1744. By
