

By the Lower House of Assembly, June 10. 1748.

May it please your Honours,

MR. *Jonas Green*, Printer, having made a Remonstrance to this House, That a Bill entitled, *An Act for the speedy and effectual Publication of the Laws of this Province, and for the Encouragement of Jonas Green, of the City of Annapolis, Printer*, passed both Houses of Assembly in the Year 1738; and another Bill, to the same Purpose, passed both Houses in the Year 1739; and as those Bills did not pass into Laws, he had no Allowance made to him thereby, altho' he was ready on his part to perform his Agreement with the Public: And this House having lately paid 120*l.* we have now agreed, in consideration of his Disappointments, to make him the further Allowance of 180*l.* current Money, which makes up the Sums mentioned in the two Bills aforesaid. And as there is in the Hands of *Mrs. Sarah Hollyday*, Executrix of *Col. Hollyday*, the late Treasurer of the Eastern Shore, a large Ballance due to the Public; we propose that an Order be drawn by the Clerk of this House on the said *Mrs. Hollyday*, Executrix of *Col. Hollyday*, payable to *Mr. Jonas Green*, or his Order, for the Sum of 180*l.* current Money; and desire your Honours Concurrence.

Signed per Order, *M. Macnemara*, Cl. Lo. Ho.

By the Lower House of Assembly, June 10, 1748.

May it please your Honours,

IN Answer to your Message of this Day, by *Richard Lee*, Esq; we have duly considered the Purport of it, and cannot agree to make any further Allowance than what is already made in the Journal, because the Persons claiming by their Accounts sent down with the Journal, in general, have no just or legal Pretence to make such Demands: And in regard to the Deduction of a Fourth from the Chancellor's Account, we apprehend the Deduction is made agreeable to the Fees regulated in the Inspection Law. We herewith send you the Journal of Accounts, and hope the same will pass as it now stands.

Signed per Order, *M. Macnemara*, Cl. Lo. Ho.
