Will this be a Law.

The Governor made the following **S P E E C H.**

Gentlemen of the Upper and Lower Houses of Assembly,

THE Temper and Moderation with which you have carried on the public Business of this Session, are highly commendable; and I flatter myself that the Laws now made will be of real Service to the Country.

Gentlemen of the Lower House,

I acknowledge the Regard you have shewn to my self; and I cannot express the grateful Sense of it better, than by doing every Thing in my Power to promote the Happiness of the Province, and to oblige you upon every Occasion; which you may certainly depend upon.

Gentlemen,

The Business of this Session being at an End, I have, with the Advice of his Lordship's Council of State, thought fit to prorogue this Assembly to the second Tuesday in October next, and you are to take Notice you are Prorogued to that Day accordingly.

So endeth this Session of Assembly, this Eleventh Day of June, in the Thirty-fourth Year of his Lordship's Dominion, *Annoque Domini, 1748.*
