The House met according to Adjournment, &c.

On reading the Report from the Committee of Grievances, relating to the Receiver of the Quit Rents of *Baltimore County; Ordered, That Mr. William Young, Receiver of the Quit Rents for Baltimore County, do attend at the Bar of this House on Tuesday next, to answer the Complaint set forth in the Report from the Committee of Grievances; and that the Clerk of this House do issue out a Summons for the said Young to appear accordingly.*

Mr. *Harris*, from the Committee of Laws, delivers to Mr. Speaker a Bill entituled, *An Act for the more effectual destroying of Squirrels and Crows, in the Counties of Kent, Queen Anne's, and Talbot; and for destroying red Foxes in the said Counties: Which Bill was read the first Time, and ordered to lie on the Table.*

Mr. *Goldsborough*, from the Committee of Grievances, delivers Mr. Speaker the following Report:

By the Committee of Grievances and Courts of Justice, June 16, 1749.

Y Our Committee are informed, that the Agent and Receiver of his Lordship's Quit Rents do take upon them to set a Value on all foreign Gold, below that current in *Great Britain*, and do refuse to take or receive the same in Discharge of the Rents due from his Lordship's Tenants in this Province, unless paid at such under Rate, and often vary and change such Value: That many of the good People, his Majesty's liege Subjects of this Province, his Lordship's Tenants, are compelled to pay the same accordingly: it being impracticable for them to procure the Sterling coin'd Money of *Great Britain*, to discharge their Rents. Which Actions and Doings are not only against the just Rights of his Majesty's Subjects here, but are oppressive, and tend to alienate the Affections of these faithful Subjects from his Lordship's Rule and Government. But is humbly submitted to the Consideration of your Honourable House.

Signed per Order, WM. WILKINS, Clerk.

Col. Hooper,
