His Excellency the Governor communicates to Mr. Speaker the following Message, *viz.*

*Gentlemen of the Lower House of Assembly,*

**H**IS Majesty out of a tender Regard for the Lives and Fortunes of his Subjects in this, as well as the neighbouring Provinces, has commanded the Secretary of State, to advise us of the Danger of suffering a foreign Power to intrude and make Settlements on any of his Majesty's American Dominions: Our Interest in such an Event, tho' his Majesty had not been pleased to signify his Royal Pleasure, would make this Affair worthy our most serious Consideration: But when you see by that Letter from the Earl of Holderness, that should the neighbouring Colonies make Application to us for Assistance, I might be under a Necessity of convening you, without Respect to the Inclemency of the Season, or other Inconveniences, unless before the Conclusion of this Session, a Fund be established for such Uses. I make no doubt but the Consideration of the vast Expence extraordinary Meetings of Assembly occasion to the Country, and also that it is not so easy and practicable to raise Money upon an Emergency as properly to apply it, will induce you to consider at this Time our Indian Allies, whose Affections the French will endeavour by every Artifice to alienate from our Interest: And on this Occasion my Duty obliges me earnestly to recommend to you the Revival of the Law for Arms and Ammunition, without which, we shall, in Case of an Attack, be unable to defend our private Properties, much less to join the neighbouring Colonies, to manifest our Duty and Loyalty, by repelling the Violence of any Enemy, and preventing an Invasion or Attempt, upon his Majesty's Dominions on this Continent.

HOR<sup>o</sup>. SHARPE.
