From this State of the Account, there still appears to be in the Hands of the Agents the Sum of 1268 17 4½

Which, added to 4694 l. 3 s. now in the Hands of the Commissioners of the Loan-Office, makes the Sum of 5963 l. 0 s. 4½ still to be applied as by the abovementioned Act is directed; but the Accounts of the Agents not being closed to a certain Day, nor delivered in upon Oath, your Committee could not Report what the real Balance of the 11250 l. is at this Time: And must observe, that the above Article of 493 l. 4 s. 4 d. in the Hands of Capt. Dagworthy, is still to be applied towards Payment of the Officers and Soldiers from the Twentieth Day of August last, and for the Payment of Tradesmen and Labourers at Work on the Fort. And that the Sum of 600 l. paid, as above, to Horatio Sharpe, Esq; does not appear to us to be applied by his Excellency in any Manner, tho' in an Order of the 4th of September, and a Receipt of the 11th, it is mentioned for the Subsistence of the Troops that have been raised for the Protection of the Frontiers; which may, as your Committee humbly conceive, be applied by him as well to Troops raised before the making the said Act, as to those raised in Pursuance thereof, for Garrisoning the Fort and Block-Houses by the said Act to be Erected.

All which is humbly submitted to the Consideration of your Honourable House.

Signed per Order. Thomas Johnson, junior, Clerk.

Benedict Calvert, Esq; from the Upper House, delivers to Mr. Speaker a Petition of T. Macdonald; in-
