Your Committee think themselves obliged to observe to the Honourable House, that of the Bounty-Money accounted for, the Sum of 300 *l.* was delivered to Lieutenant *Duncan M'Rae* for the Recruiting Service, and the Sum of 300 *l.* to Ensign *Burr Harrison*, 100 *l.* to Ensign *Alexander Somerville*, and 30 *l.* to Ensign *Rezin Beall*, for the same Service; for which Sums, by the Terms of the Act for his Majesty's Service, &c. made at *Baltimore* Session, the Agents ought to have taken Bond with proper Security, conditioned for accounting for said Sums agreeable to the Directions of said Act; but upon Enquiry, we cannot find that Ensigns *Burr Harrison*, *Alexander Somerville*, or *Rezin Beall*, gave any Bond for the Sums aforesaid, or that Lieutenant *Duncan M'Rae* gave Bond with Security as aforesaid, for any more than 200 *l.* In which Instance, we conceive, the Agents have not complied with their Duty, pursuant to the Directions of the Act aforesaid.

From the preceding Account, please to observe, that only 149 *l.* 4 *s.* 11 *d.* has been applied to the Payment of Captain *Dugessery's* Company till the 8th of *May* last, and the further Sum of 299 *l.* 11 *s.* towards the Subsistence of said Company till the 8th *July*; since which Time no other Accounts relative to the Support of that Company appear on the Agents Books; and by the Certificates endorsed on the Rolls of that Company, your Committee find, that they were mustered at *Fort Cumberland*; and think it their Duty to acquaint the House, that from the Appearance the Muster Rolls of the other Companies make, there is great Room to suspect, that many of the Men that composed those Companies, and are certified to be on Detachment and Party, have likewise been stationed at *Fort Cumberland*; and that this Matter may more clearly appear to the House, your Committee have drawn up Lists from the Muster Rolls of Capt. *Alexander* and *John Bull's*, Capt. *Pearns's* and *Ware's* Companies, shewing the State and Condition each Individual Person appeared in at the Time of the several Musters made for the Months of *June*, *July*, *August*, and *September*; from which Lists herewith delivered in it will appear, that except in a very few Instances, the same Men that were certified to be on Detachment, Party and Ranging, at their Muster in *June*, have continued in the same Employment through all the subsequent Musters till the 8th *September*; nor does it appear to your Committee, from any Papers submitted to their Perusal by the Agents, in what Service they were employed during the Time aforesaid. Your Committee further observe, in the Course of their Examination, that the following Charges have been made and paid by the Agents, which they think not warranted by the Laws; and therefore Report it to the House, that they may judge of the Reasonableness or Expediency of them.

In the Subsistence Account, there are Charges for the Provision found Four Women to each Company, amounting in the Whole to 204 *l.* 17 *s.* 3 *d.* In the Hospital Account, Wages paid to sundry Nurses to the Amount of 25 *l.* 12 *s.*
