His Excellency communicated to Mr. Speaker, the following Message:

GENTLEMEN of the Lower House of ASSEMBLY,

AS it is not usual with me to order the Great Seal to be affixed to any Papers which I have not seen, you will, I hope, excuse me for declining to comply with your Request of Yesterday; besides, *Gentlemen*, altho' the Lower House of Assembly of this Province hath heretofore transmitted a separate Address to be presented to their Sovereign, yet I cannot learn that they ever desired to have the Great Seal affixed thereto; nor indeed can I conceive (tho' perhaps my ordering the Seal to be affixed to the Address you speak of, may be construed by some as a kind of Assent to it's Contents) that the Seal may be of any Consequence, since I cannot suppose you will desire any Person to present your Address, whose Character is not too well established, to leave any Room for his Majesty, or his Ministers, to suspect, that he would presume to offer any Address but an authentic One.

2d May, 1761.
