The following Message, viz.

May it please your HONOURS,

TO answer the Royal Expectations, communicated to us by his Excellency the Governor at the Opening of this Session, we have framed and passed the Bill which goes to your Honours with this Message: We have formed it upon such a Plan, as to us seems most suitable to the Circumstances of our Constituents, and in such a Manner as we conceive the best adapted to the Nature of the Plan; but as in a new System of such a Length, and of an intricate Nature, some Parts may possibly be found liable to Objections, which may have escaped us, and as we, out of a sincere Regard for his Majesty's Service, and an earnest Desire to effect a Termination of that Difference of Sentiment, which has unhappily too long subsisted between the Upper and Lower Houses of Assembly, with respect to the Point of raising Supplies for the Service of the Crown, are willing to depart from a strict parliamentary Course, and for the present to wave our Right respecting the Mode of Proceeding upon Money Bills, we therefore hope that your Honours will shew the same good Disposition; and that if in the Course of your Consideration of our Bill, any Objections to it should occur, you will also overlook the Strictness of Parliamentary Forms, and point them out to us, and we assure your Honours they shall have their due Weight.

Signed per Order, J. A. THOMAS, Cl. Lo. Ho.

Was Read, and thereupon the Question was put, That this House do Approve thereof. *Resolved* in the Affirmative.
