YOUR Committee have examined the Accounts of the Agents, under the Act for granting a Supply of Forty Thousand Pounds for his Majesty's Service, and striking Thirty-four Thousand and Fifteen Pounds Six Shillings thereof, in Bills of Credit, and raising a Fund for sinking the same; and find that since the Report of your Committee in November Session 1757, they have applied the several Sums of Money, then in their Hands, to the particular Services for which they were appropriated, and that there remains in their Hands, the Sum of 156 l. 18 s. 10 1/2 d.
