Benedict Calvert, Esq; from the Upper House, delivered to Mr. Speaker, the Paper Bill, entitled, *An Act for the building of a Parish Church in Christ's-Church Parish, in Calvert County*: endorsed: "By the Upper House of Assembly, December 19, 1769. The engrossed Bill, whereof this is the Original, read and assented to.

Signed by Order,

U. SCOTT, Cl. Up. Ho."

Mr. Speaker communicated to the House the following Letter, from the Speaker of the House of Burgesses of Virginia.

SIR,

THE House of Burgesses met on the 8th Instant; on the 16th they took into their serious Consideration, the State of this Colony, and in the Course of their Deliberations, being alarmed at the Distress in which all America is likely to be involved, came to several Resolutions; Copies of which they have given me particular Directions to transmit, without Delay, to the Speakers of the several Houses of Assembly on this Continent, and to request their Concurrence therein.

In Obedience to the Order, I now, Sir, enclose you a Copy of those Resolutions, and am persuaded that the Importance of the Subject will be sufficient to engage the immediate Attention of your respectable House, and the Circumstances of America evince the Propriety of their Conduct.
