

VOTES AND PROCEEDINGS, NOVEMBER, 1779. 57

That no interest has been accounted for to the commissioners on the before-mentioned sums.

That it appears to your committee by last report, there was then remaining in the office, out of the 80,000 dollars emitted for payment of public claimants, a balance of - 978 16 8½

That the commissioners have since paid to William Thomas his allowance on the journal of accounts - - - - - } 2 8 0

For which payment they have produced to your committee the necessary voucher and receipt, and there remains in the office on } 976 8 8½
the above account a balance of - - - - - } £.978 16 8½

That out of the above balance of £.976 8 8½, there still remains due to sundry claimants on the journal of accounts, passed at November session, 1773, the sum of £.424 7 2 currency.

That your committee find by a report made in January, 1778, there was a balance of 121,938 dollars in the office, for the purpose of exchanging torn and defaced bills, which sum still remains in the office.

That it appears to your committee by the last report, there had been received for interest on the 235,333½ dollars lent out on loan, the sum of £.4,066 18 2; that there has been received for interest on the said emission, from 26th January, 1778, to 30th November, 1779, the sum of £.4,293 16 5; and that the said two sums, amounting to £.8,360 14 7, now remain in the office, appropriated for the purpose of erecting a college or seminary of learning; that there has become and still remains due on the above emission for interest, the sum of £.497 17 sterling.

That your committee find by a report in January, 1778, there was then a balance of £.740 5 11¼ gold currency in the office, received from the treasurers and naval officers on account of the light-house on Cape Henry, that the commissioners have since paid away the sum of £.177 4 8 gold currency, for which have been produced to your committee the necessary voucher and receipt, and that there remains in the office on that account a balance of £.563 1 3¼ gold currency, consisting of 9 oz. 8 dwts. in gold, and the residue in bills of credit.

That in order to give the honourable houses some general idea of the several emissions and the funds for sinking them, take leave to subjoin the following account:
