Mr. Stephen, from the committee, delivers to the speaker the following report:

THE committee to whom was referred the petition of sundry inhabitants of the city of Baltimore, praying an extension of Pratt-street, report, that they have considered the same, and are of opinion that it would be unwise and improper to act thereon at the present session of the legislature, by reason of the uncertain effect which such extension would produce, and the variety of conflicting interests involved therein: For the purpose therefore of fully ascertaining these preliminary points, essential to be accurately understood prior to a just legislative decision upon the subject, your committee beg leave to recommend a reference of the said petition to the consideration of the next general assembly.

By order,

J. GOLDBER, clk.

Which was read the first and second time by especial order and concurred with.
