

The clerk of the senate delivers the bill to pay the civil list, and other expences of civil government, the bill to authorise the elders and trustees of the German evangelical reformed church in Baltimore county to draw a lottery within the city of Baltimore, and the bill authorising a lottery for raising a sum of money for repairing Saint George's church on Deer creek, in Harford county, severally endorsed, "will pass." Ordered to be engrossed. And the resolutions in favour of John C. Bond, endorsed, "dissented from." And the resolution in favour of Martha Hall, endorsed, "assented to."

The house, according to the order of the day, resumed the consideration of the bill for the encouragement of learning within this state; on progression, the question was put, That the following be inserted after the words "may be" in the fourth clause? viz. "and on the same day annually for ever thereafter, and when so assembled, shall receive applications from the parents, guardians, or others intrusted with the care of poor and orphan children, and then determine which of the same shall receive their schooling at the public expence; provided, that the amount of the tuition of the whole number so to be admitted, estimating each scholar at eight dollars, shall not exceed one moiety of the sum hereby appropriated as a public donation to their respective counties; and the said trustees are hereby authorised and directed to agree with, and pay to, any schoolmaster who shall educate such children, the sum of eight dollars for the tuition of each and every of them." Resolved in the affirmative.

On motion, the question was put, That the words "and when met, shall determine on the places at which schools shall be established in each election district of their county," be stricken out of said clause? Resolved in the affirmative.

On motion, the question was then put, That the following be inserted in lieu of the words stricken out? viz. "And be it enacted, That the trustees aforesaid are hereby authorised and directed to apply the other moiety of the public donation hereby made to their respective counties, in aid of, and for the support of, any academy of the public donation hereby made to their respective counties, or for the erection or support of some other county school or schools, at such place or places as a majority of them shall determine on, agreeably to the provisions of this act." Resolved in the affirmative.

On motion, the question was put, That the further consideration of the said bill be referred to the next general assembly? The yeas and nays being required, appeared as follow:

On motion, the question was put, Will the house reconsider the bill for the encouragement of learning in this state? Determined in the negative.
