Mr. Chapman, from the committee, delivers to the speaker the following report:

THE committee to whom was referred the petition of William D. Beall report, that they have had the same under consideration, and are satisfied, from the most ample testimony, that the petitioner served his country in the Maryland line, during the revolutionary war, as an officer of distinguished merit, in a manner highly honourable to himself, and truly characteristic of the American soldier and patriot: That he held the rank of major from November, seventeen hundred and eighty-one, till the end of the war, and is now, after having encountered a variety of difficulties from adverse fortune, borne down with disease and infirmities, consequent on those services which he rendered his country in that struggle which terminated in her glory and independence: That he has an amiable family dependent on him for those comforts which his misfortunes and afflictions render him unable to procure. Your committee, sensible of those facts, and of the truth of all the circumstances stated in the representation made by the petitioner, whose situation they commiserate, and which, they are of opinion, it becomes his country to ameliorate and relieve, and more particularly as the treasury is fully competent to afford the small pittance solicited as aid to the war-worn soldier in distress, recommend the following resolution:

RESOLVED, That the treasurer of the western shore be and he is hereby directed to pay annually, in quarterly payments, unto William D. Beall, late a major in the Maryland line of the revolutionary war, or to his order, a sum of money equal to the half pay of a major, as a further reward to those meritorious services rendered his country in securing her liberty and independence.

All which is submitted.

By order,

N. MARTIN, clk.
