THE committee to whom was referred the petition of Marsham Parker, of Calvert county, report, that they have taken the same into consideration, and find the facts therein stated to be true, and therefore submit the following resolutions:

Whereas it is represented to this general assembly, that negro Dick, the slave of John Parker, late of Prince-George's county, the father of the present petitioner, (and upon whose estate the said Marsham Parker has administered,) was tried and convicted of felony at a county court held for Prince-George's county, at June term, seventeen hundred and eighty-six, and was by the said court sentenced to be hanged, and was valued at the sum of one hundred and twenty pounds current money, which said negro Dick was afterwards pardoned by the governor, upon the condition of transportation; and it appearing that neither the said John Parker, in his lifetime, or this petitioner, since his death, hath received any compensation for said negro, therefore RESOLVED, That the treasurer of the western shore pay to the said Marsham Parker, or his order, the sum of one hundred and twenty pounds current money, the valuation of the said negro Dick.

THE committee to whom was referred the petition of John Imeson, report, that they have considered the same, and find, from sufficient testimony, that the petitioner was a sergeant in the Maryland line; that he was placed on the half pay establishment as a common soldier, by a resolution of November session, one thousand eight hundred and three. Your committee believing, as the legislature then did, that he is well worthy of the aid and protection of his country, and having no doubt if his rank when in the army had been ascertained, that he would have been provided for agreeably thereto, recommend the following resolution:

RESOLVED, That the treasurer of the western shore be and he is hereby authorised and directed to pay to John Imeson, late a sergeant in the Maryland line during the revolutionary war, or to his order, a sum of money, in quarterly payments, equal to the half pay of a sergeant, instead of the sum now payable to him in virtue of a resolution of November session, one thousand eight hundred and three.

All which is submitted.
