On motion by Mr. J. Brown, the question was put, That the bill for the regulation of officers fees be referred to the next general assembly? Resolved in the affirmative.

On motion by Mr. J Brown, the following resolution was read.

Whereas the several acts of assembly of this state relating to, and for the regulation of, officers fees, are defective, and in some respects doubtful, as to what is the true intent and meaning of the same: And whereas it is proper and necessary that the general assembly should possess such information on those subjects as will enable them to remedy the same; therefore RESOLVED, That the register in chancery, the registers of the land-offices, and the clerks of the courts of appeals for the western and eastern shores, the clerks of the county courts, the registers of wills, and the sheriffs, in the several counties of this state, be and they are hereby severally requested, to make out and lay before the general assembly, at the next November session, a bill or account of fees properly chargeable for services performed in their respective offices, so as to shew what changes or further regulation it might be proper for the legislature to provide; and in making out such bill or account of fees, to make the same as concise and plain as practicable, and to have as few items as possible, so as to include the services aforesaid.

RESOLVED, That the clerk of the house of delegates be and he is hereby directed to forward to each of the aforesaid officers a copy of those resolutions.

On motion by Mr. Bland, the following was added to the first resolution: "and that each of the clerks of the several county courts, the clerks of the courts of appeals, and the register of the court of chancery, make out, and lay before the next general assembly, the number of suits that have been brought to, or instituted in, and also the number that have been determined, dismissed or disposed of, by the said courts respectively, within each year, for three years prior to the first day of September, eighteen hundred and ten."

On motion by Mr. C. Dorsey, the following was inserted after the said amendment, to wit:

RESOLVED, That the register in chancery make out the number of suits depending in the court of chancery, the respective periods when the same were brought, and the different counties or places of residence of the defendants in the said causes, so far as he can ascertain the same.

The resolutions were then assented to.

On motion by Mr. C. Dorsey, Leave given to bring in a bill, entitled, An act relating to an act for the relief of sundry insolvent debtors, passed at November session, eighteen hundred and five, and of the several supplements thereto. ORDERED, That Mr. C. Dorsey, Mr. Herbert and Mr. J. E. Spencer, be a committee to prepare and bring in the same.

The house proceeded to the second reading of the bill appointing commissioners to ascertain and establish a divisional line between Anne-Arundel and Calvert counties, and, on motion by Mr. Williams, the question was put, That the further consideration of the same be referred to the first day of August next? The yeas and nays being required, appeared as follow:
