Mr. Dickinson chairman of the committee on agriculture, delivered the following report:

The committee on agriculture, to whom was referred the memorial of Henry Locker, of Washington county, praying to be remunerated for discoveries in agriculture, beg leave to report:

That they have examined said memorial and given it their serious consideration; and if, as the memorialist states, he is the first discoverer and introducer of red clover into the States of Pennsylvania and Maryland, he merits the thanks of their citizens; and the committee regret exceedingly, that they know of no law whereby the memorialist can obtain pecuniary compensation for so valuable a discovery.

All which is respectfully submitted,

Solomon Dickinson, chairman.

By order,

R. Richardson, clk.
