Mr. Nicols moved to amend the 8th resolution, by striking out after the word "right," in the third line, to the end of said resolution, and inserting in lieu thereof the following—

"And duty of the General Government to protect itself, and the other States, from the fatal consequences of any such attempt, which, if successful, must end in the total destruction of the fair fabric of government built up for us by the wisdom and devoted patriotism of our venerated ancestors."

Mr. Harper moved to amend said amendment, by striking out these words, "which if successful must end in the total destruction of the fair fabric of government built up for us by the wisdom and devoted patriotism of our venerated ancestors."

Resolved in the affirmative.
