of Montgomery County court, relative to the attendance of Judges,

Which was read and referred to the committee on grievances and courts of justice.

Also, a report from said clerk, relative to the several sums of money paid by him into the Western Shore treasury, within the year ending on the 30th Nov.

Which was read and referred to the committee on ways and means.

Mr. Dorsey submitted the following order,

Ordered, That the committee on printing be instructed to contract with the printer on the following terms.

That when any communication, report or other document, communicated to both houses, shall be ordered to be printed by the house, the clerk shall ascertain whether the same has been previously ordered by the Senate, if so, the copies shall be furnished by the printer to the Senate for the use of house, under the joint contract of the two houses now in force. And when the same person shall be printer to both houses of the Legislature, and any communication, report, or other document communicated to both houses, and printed by the house, the printer shall charge for the same at the rate allowed by the joint contract for press work, including paper, folding, stiching, and excluding composition.

Which was read, and on motion of Mr. Ely, ordered to lie on the table.

Mr. Ely then submitted the following message:

By the House of Delegates,
January 1st, 1835.

Gentlemen of the Senate,

We propose, with the concurrence of your honorable body, that the joint committee on printing be, and they are hereby instructed to advertise in the several newspapers published in this city, that they will receive proposals for executing the public printing of the state.

By order,
G. G. Brewer, Clerk.

Which was read.

Mr. Jones, of Somerset, offered as a substitute for said message the following,

By the House of Delegates,
January 1, 1835.

Gentlemen of the Senate,

We propose, with the concurrence of the Senate, to instruct the joint committee on the public printing, to inquire into the expediency of contracting with the printer on the
