

price you mention nor good new blankets at the price stipulated. Good Keesey blankets take 5 yds, & 5/ for yard is the lowest that article can be had at, however they all will be made, and shall furnish you with the success we have. I have seen some linen at Dr. Archer's Factory, but they ask more than you allow me to give.

Hearford October 14th 1776.

To the Honble Board of St Mors Jailors &c. v. Prisoners

I am Sir yr humble Servant

(Amos Garrett)

George Town October 15th 1776.

May it please your Honours. Enclosed you have a list of the men now enrolled under my command, and I apprehend that my Lieutenants and Ensign may have a few more, but this I am uncertain of.

There are only a very few guns and blankets yet belonging to the Company and I am fearful that not many more can be procured in this County so as to be ready for this Company in any reasonable time. But if it is your opinion that I should march with those already enrolled, in my present condition, you will be pleased to transmit my orders and they shall be obeyed. In the mean time with the assistance of Col. Maguire, I shall try to purchase all the arms and other necessaries I can hear of, and also to enlist more men.

I am, may it please your Honours,

To the Honorable

Your most obed^t Servant

Council of Safety.
