Petition of Archibald Campbell & W<sup>m</sup> Alburn

To the Honorable Provincial Convention.

The petitioners Archibald Campbell, and William Alburn humbly sheweth,

That your Petitioners have unadvisedly fallen under the censure of the Committee of St. Mary's County for a supposed breach of the Resolves of the late Provincial Convention, which censure they apprehend was grounded on a misconstruction of the Letter and Spirit of the prescribed Regulations, and therefore beg leave to submit the same together with a copy of the proceedings of the aforesaid Committee to the consideration of the Honorable Convention.

They beg leave to represent that for a considerable time past they have been engaged in commercial transactions, the first as Factor for John Glasford and Company, and the other for James Buchanan and Company at their respective stores on Potowmack River, which concerns have chiefly related to rendering of Goods for Tobacco, and shipping the same to their Principals in Great Britain; that many Persons had constantly dealt at their several stores on Credit, and had been supplied with such Commodities as they imported for Sale; in return for which they have received Tobacco payments, and applied the same in loading such Vessels, as were consigned to them by their Constituents. They further represent that in this Commercial enterprize their usual Customers had always relied on them to supply their exigencies, and that Justice and Gratitude prompted them not to abuse the confidence reposed in them by disposing of their Effects to others, in prejudice of those with whom they constantly traded. That their conduct in this respect is not singular, but conformable to the general practice of those who are engaged in similar traffick, cannot be denied, and they are induced to think that a mature Consideration it cannot be deemed an infraction of the Law by which they and others took up their justifiable on every principle of reason & justice
